

Travel Presentation – Presentations are December 20th

Choose a city in America that you would most like to visit (cannot be in China). Create an informative speech that is 3-4 minutes long. Create a PPT to show us your city. Include mostly pictures in your PPT.

Tell us:

1. Where is it?
2. What is it known for?
3. What are some of the activities you can do there?
4. What is the population like?
5. Why do you want to go there?
6. What would **you** do there?
